AHCCCS

For oupatient surgery

Instead of billing …

00090	IHS ASC I
00091	IHS ASC II
00092	IHS ASC IIII
00093	IHS ASC IV
00094	IHS ASC V
00095	IHS ASC VI
00096	IHS ASC VII
00097	IHS ASC VIII
00098	IHS ASC IX

Do this …

Bill the CPT code for the surgical procedure on the CMS 1500 claim form. Enter the appropriate ASC rate in the Charges field (field 24F). The AHCCCS Claims System will classify the procedure at the appropriate ASC level and reimburse the claim accordingly.

For other outpatient services

Instead of billing …

00099 IHS O/P Reimbursement Rate on the CMS 1500 claim form

Do this …

Bill services on a UB-92 claim form using revenue code 510 (Clinic). Enter the outpatient OMB rate in the Total Charges field (Field 47). The AHCCCS Claims System will reimburse the service at the outpatient OMB rate.

For inpatient services

Continue to bill with revenue code 100 (All inclusive room and board/ancillary) at the inpatient OMB rate. Claims will be reimbursed at the inpatient OMB rate.
